Chemist Addresses Community Club

DR. W. T. TAGGART SPEAKS ON
INTERESTING SUBJECT AT
REGULAR MEETING LAST
TUESDAY.

The speaker at the regular meeting of the Narberth Women's Community Club on Tuesday was Dr. W. T. Taggart, Professor of Chemistry and Director of the Chemical Laboratory of the University of Pennsylvania. The subject of his address was, "Shall We Continue to Have an American Dye Industry?"

Dr. Taggart is a recognized authority on the chemical industry and gave a very complete and comprehensive outline of the importance of continuing this industry.

He said that at the beginning of the war we did not have enough dyes of our own to print postage stamps or dye uniforms for soldiers, and practically no dye plants, but in five years' time we had a dye industry equal to any, and are now manufacturing 300 colors as good as any from foreign countries and better than some.

In connection with the dye industry were developed the manufacture of photographic supplies for aeroplane work, and poisonous gas used in the war. Also some drugs, which shows the importance of this industry in the matter of defense alone.

In view of what has been accomplished in five years, should we not stand back of this great work in which this country should be the leader?

The Kipling Program.

Following Dr. Taggart's talk was a Kipling program by the club members. First was a solo, "The Gypsy Trail," by Mrs. T. N. Butler. Mrs. R. F. Wood then gave a sketch of Mr. Kipling's wonderful characteristics, illustrated by his poems. Kipling's "Butterfly and the Stamp" was read by Mrs. F. T. Van Auken, followed by a group of his poems read by Mrs. E. S. Muschamp.

The program was concluded by a solo, "On the Road to Mandalay," by Mr. L. Eashy. Mrs. A. B. Ross at the piano.

Tea was served during the social hour by Miss N. C. Runyan, Mrs. W. B. Ramey, Mrs. W. P. Robinson, Mrs. A. P. Redifer, Mrs. N. C. Rowley, Mrs. H. Rose, Mrs. H. G. Reeves, Mrs. A. B. Ross, Mrs. H. E. Ruch and Mrs. L. C. Douglass.

Two Injured in Crash on Pike

WYNNEWOOD GIRLS SERIOUSLY
HURT WHEN NARBERTH TAXI
IS SMASHED IN COLLISION.

Two young women were seriously hurt last Friday morning in an auto collision at Essex and Montgomery avenues.

The injured are Miss Mary Gallagher, 19 years old, of 51 Manor road, Wynnewood, and Miss Betty McDermott, 18 years old, Wynnewood and Montgomery avenues. Both sustained severe cuts and bruises.

They were riding in a jitney from Narberth station. The car, driven by Harry Hamer, of 28 Avon avenue, turned into Montgomery avenue from Essex, and while making the sharp turn was struck by a large machine driven by John Thomas, of 135 West Lancaster avenue, Ardmore. The impact caused Hamer's car to be badly smashed, throwing the girls to the road. They were taken to Bryn Mawr Hospital and Thomas was arrested by Lower Merion police. Magistrate Stilwagon held him without bail to await the result of the girls' injuries.

Dance

The third monthly dance of the Narberth Fire Department will take place on Friday, December 9th, at Elm Hall. Let us make these dances a success and a place where the residents of the "year round home town" may meet each other amid pleasant surroundings and a spirit of good fellowship.

A lucky number dance will be a feature, with favors, and handsome decorations, including "pretty girls, of course, in pretty frocks."

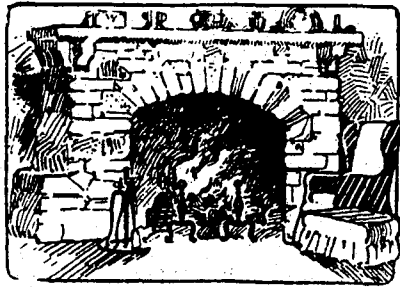

The members of the Fire Department are our own boys. Elm Hall is their home, which they wish to make a credit to the town. As they give their services gratis, let us help them to beautify their home, not only by purchasing tickets, but also by lending encouragement through our presence.

Elm Hall is our only available meeting place and dance floor, and every help should be given to the Fire Company in its efforts to make the hall more attractive.

Friday evening, at 9, December 9, at Elm Hall. Let us all go. If you do not know a fireman to get your tickets from, you can buy them at the door. Make this a popular dancing party and save a night a month for it. Come along. "You'll be surprised."

TENNIS AUXILIARY CARD PARTY THIS EVENING.

The Ladies' Auxiliary of the Narberth Tennis Association is holding a big card party this (Saturday) evening, at Elm Hall. There will be tables of bridge and five hundred. Numerous prizes will be awarded and refreshments will be served.

Just 14 Days Until

December 16, when you will have the opportunity of hearing the angelic tones from the golden harp of Dorothy Johnstone-Baseler and the full sonorous ensemble of the Narberth Choral Society.

It is difficult to try to describe the music of this instrument, to you who have not heard the celestial arias expressed so brilliantly by this artiste. The strains that roll so tenderly from under her skilled fingers are like the melodious sounds of rippling water, as it hunts for little nooks and clefts in which to play hide-and-seek, and laughingly skips on and on—restless, like most of us. You may close your eyes, and the melodies from this superb instrument will take you hither and thither, unfolding one beautiful dream and thought after another, and when the last string has been lightly touched and dies away, you are left on a higher elevation, with new hopes and ideals, and feel that you have experienced a touch of heaven. You go away with better and higher purposes in life.

A further attractive feature will be the combination of harp, violin and cello, engaged for this local concert of the Narberth Choral Society on the evening of Friday, December 16, in the School Auditorium. The entire program will be presented in the next issue of Our Town and the variety and selections cannot help but please the critical music-lovers of Narberth.

This will be a real opportunity for our town to hear some of the best professional talent, without the trouble and necessity of going into Philadelphia, and at a popular price. Subscriptions is \$1.00, and can be secured

Civic Directors in Special Meeting

IMPORTANT SESSION HELD LAST
MONDAY NIGHT—MANY MAT-
TERS OF IMPORTANCE
DISCUSSED.

The Directors of the Narberth Civic Association held a special meeting on Monday evening, November 28th, for the purpose of putting the affairs of the association on a more active basis.

Fifteen of the eighteen directors were present at the meeting. The resignation of Mr. J. G. Atherholt was accepted with regret.

The Narbrook Park project was discussed at great length. The committees are expected to present further reports at the next meeting, December 15th.

Finances of Our Town were then brought up. The editor presented a financial statement showing that, while the general finances were in a healthy condition, a recent piling up of unpaid bills had left the treasury low. It was resolved that immediate steps be taken to bring these accounts up to date. "Bad" bills are to be presented to the directors at the next meeting for their action.

The bill presented by the Borough's Highway Department for extra expense incidental to the Civic Association's Clean-up Week was ordered paid.

A plan was presented and accepted to hold a joint conference in the near future between a committee of the Civic Association and representatives from each organization for the purpose of making a general survey of the scope of each body, and of effecting a closer collaboration in the many activities. This matter is to be developed at greater length at the regular meeting.

The entire Board of Directors is showing a keen interest in these matters, and it is felt that a big opportunity will be afforded the Civic Association to serve the community more thoroughly in the future.

Home and School Association to Meet

MONTHLY MEETING IN SCHOOL
AUDITORIUM NEXT THURSDAY
EVENING—ALL HOMES
SHOULD BE REPRESENTED.

The regular monthly meeting of the Home and School Association will be held in the School Auditorium on Thursday evening, December 8, at 8.00 P. M.

Talk about getting away to a flying start. For one of our "young" associations, this one is getting to be "real." Of course, it deals with "old" subjects, but always for the "young." And this coming meeting? Well, we'll say everyone most likely will go. Why? Well, the program has to do with something to eat. In other words, the Narberth Schools Lunch Room in all its phases is to be the main subject of discussion.

It is planned to have one major subject for discussion at each of the Association meetings; something of interest to all parents, and if you haven't been at any of the meetings, you'd be surprised at the interest of the citizens.

A brief and interesting address on School Lunch Rooms will be given by Miss Emma Smedley, Director of Public School Lunches of Philadelphia.

It is expected also to have a ten-minute talk on the technical subject of food values by one capable of handling the subject. Then there will be an outline of the practices pursued in the Narberth School, after which a time will be allotted for brief discussion by any interested citizen who may have something on his or her mind.

Anything else? Well, we'll say so. A part of the Narberth Choral Society will sing two selections. Miss Speakman will lead the community singing of a song or two, and at the end we're sure the general hum of pleased conversation will send everyone away in a typical Narberth frame of mind.

The Association is growing; 132 homes are already represented, and every home with a child in it should join up. You'll find it worth-while, and besides the dues are only 25c. a year. Better get in before the membership is limited on account of the size of the hall, or a stiff initiation fee is clamped on.

Let's all get together and enjoy the meeting. As has been stated, the main subject is the Lunch Room, but as the Association will not stand for any misrepresentation, it should be stated for them that Lunch will not be served at the meeting.

The meeting will start, run and stop with a snap. Eight o'clock sharp to ten o'clock sharp.

Stolen Car Recovered

The Ford car belonging to Jean V. J. Allen, of Shiller avenue, which was stolen about ten days ago from in front of the Curtis Building, was recovered this week. It was found in New Jersey, minus its tires and otherwise damaged before being abandoned by the thieves.

Christmas Bazaar Today

The Christmas Bazaar of the Methodist Church will be held in Elm Hall today from 10 o'clock in the morning until the goods are sold.

A variety of useful and pleasing articles are offered, including Christmas gifts and cards.

THE CALENDAR.

In this week's issue of Our Town we are printing the Calendar of Coming Events, with the date of every event of which we have information.

To justify this Calendar as a permanent feature, and to insure its success, it is essential that we have prompt and correct information on the future plans of Narberth's various activities.

Please make it a rule to send us a slip of paper with the necessary facts as soon as your plans are completed. If this is consistently done, a great deal of the annoyance of conflicting dates can be avoided, and our Calendar will be an accurate and useful feature of Our Town.

THE SIGN BOARDS.

Following our editorial last week suggesting the erection of sign boards directing newcomers to Narberth, we were in receipt of several phone calls from members of Council, giving us the history of the case.

It appears that in the early part of this year, the matter was brought up in Council. A design for an attractive sign was submitted and accepted. Then the Lower Merion Commission were communicated with, and they gave suggestions as to the best places for these signs. The signs were made, but when they were ready to put up, another letter was received from the Commission refusing Narberth permission to put them up on Lower Merion territory.

So there we are. Our Town hopes to get the full story of the matter by next week, and above all, the reasons why our neighbors look with displeasure on this convenience to Narberth visitors.

Communications

A FAMOUS CHORAL SOCIETY.

To the Editor of Our Town:

Since Narberth's Choral Society has been able through its work to bring additional honors to our town, I feel that many folks of our community will be interested in reading something concerning another of America's far-famed Choral Societies.

Near the center of the State of Kansas is the town of Lindsborg with a little more than half the population of

Narberth. To that community a half century ago came a band of Swedish immigrants. Soon after they had made their settlement there came among them as their pastor a young Lutheran minister, Carl Swenson. He brought with him his wife, a young woman of high ideals and a superior order of talent. There on the prairies they started a school which later became Bethany College.

In 1882 Mr. Swenson and his wife got together forty or fifty young people and organized the "Bethany Oratorio Society." Mrs. Swenson was the director. On Easter morning, 1883, they rendered Handel's "Messiah" for the first time.

Today the "Bethany Oratorio Society" has a membership of 565, including its orchestra. It has rendered the "Messiah" 113 times. In addition it has rendered many of the other greatest musical productions. It has had for many years an auditorium which was built for its use with a seating capacity of over three thousand.

Holy Week marks the greatest events of the year in the little prairie town. The "Messiah" is rendered on the evening of Palm Sunday, again on the evening of Good Friday and finally on the evening of Easter day. Other concerts and musical events more or less religious in character are given both day and night during Holy Week. Throughout that entire period the little town is thronged with people in Easter attire. Music lovers come from all over the State.

The great need of the day, so far as Lindsborg is concerned, is an auditorium of a capacity several times that of the present one to take care of the crowds.

The children of Lindsborg are literally growing up in the Oratorio Society, and in it are numerous representatives of three generations from the same family. Noted musical critics have crossed the seas and many of the most eminent music lovers of America think nothing of a journey half way across the continent to hear the Bethany Society in one of its performances. Those who have had the privilege of hearing one of these concerts and of spending some time in the town of Lindsborg are enthusiastic in their praise of this organization, not only because of what it has done for art, but because of the spirit of reverence and high moral character which it has inculcated in the hearts of the people who have come under its influence.

The Narberth Choral, as compared with the Bethany Oratorio, has some disadvantages. But it has, also, some advantages. As a community institution it has wonderful possibilities. It greatly enhances the sum total of community culture; it provides highest class entertainment; it carries the name and good deeds of Narberth to regions afar.

For these and other reasons, I have the conviction that Narberth owes it to itself to give all possible support and encouragement to its Choral Society.

HARRY M. CHALFANT.

MR. HAWS DELIVERS CHRISTMAS MESSAGE TO SCHOOL CHILDREN.

A Christmas message from Postmaster General Will H. Hays to the boys and girls of the United States was delivered to the assembled pupils of the Narberth schools on Monday morning by Postmaster Edward S. Haws. In presenting the message the postmaster made a brief address, in which he said: "Boys and girls, I came here this morning to deliver a message from the Postmaster General of the United States. It surely is a pleasure and an honor to have the privilege of delivering a message from the Postmaster General to the boys and girls of the Narberth schools."

"If you knew how intensely anxious the Postmaster General is to have the people receive the very best kind of service I'm sure you would do everything possible to help him."

"Will Hays is a little man, but he is very full of pep. I have met him in Washington, spoken with him, and I want to tell you that he is a good scout and we all should do everything we can to help him make this the best Christmas—a Christmas when every present and every letter will be delivered on time. Here is the message:

"Office of the Postmaster General,

"Washington, Nov. 22, 1921.

"Christmas is almost here.

"Your great Post Office Department has a big job ahead and needs your help.

"Think what it means to be Santa Claus to our 100,000,000 people and to deliver Christmas parcels to every family in this great country within the short space of a few days and without disappointment.

"It can be done, and we're going to do it if we may have your help. I want to enlist the active assistance of every boy and girl in the schools of our country in getting parcels mailed THIS WEEK to relieve the rush that comes directly before Christmas.

"Will you go home today and take this message to your parents and friends:

"Our postmaster has asked us to mail our Christmas parcels THIS WEEK, for, unless we do, Uncle Sam's load may be so heavy the last few days before Christmas that he won't be able to deliver all the presents by Christmas eve."

"The parcels must be well wrapped and tied and addressed plainly in order that they may arrive in good condition with their Christmasy appearance unspoiled. You can put on your packages, 'Do not open until Christmas.'

"And, there must be a number on your house and a mail receptacle, too, for, if there isn't, Santa Claus' messenger, your letter carrier, may not be able to find the house where the present belongs.

"The address on every letter, card, or package must be correct, complete, and legible, including the house number and name of street, and the 'From' address should be in the upper left-hand corner, so that the mail will be returned to you in case it is not delivered. Do not abbreviate names of States, because so many look alike when abbreviated.

"Put the proper amount of postage on your letters and wrap the parcels carefully. Avoid fancy writing, which causes post-office clerks and letter carriers to stop and study, and thus lose time. Make the address plain and easily read, and always use pen and ink or typewriter and light-colored envelopes, so as to save the eyes of the post-office clerks. Do not use envelopes of unusual size. The little ones that are so frequently used for cards and notes at Christmas and other holiday times cause an untold amount of trouble and labor, as they will not fit our canceling machines and must therefore be canceled by hand. Because of their size and tendency to slip out of a package, these small envelopes are more likely to be overlooked or lost.

"Mail your letters and packages early in the day, because this avoids overloading and delaying mail at the end of the day.

"Your local postmaster and your teachers will tell you more about the postal service.

"Do these things, and you will win the grateful appreciation of the people in your post office and especially of

"Your Postmaster General,

"WILL H. HAYS.

"P. S.—Don't forget to mail Christmas packages THIS WEEK."

The enthusiastic manner in which it was received by the students would indicate that the message was greatly appreciated and that the boys and girls of Narberth would not forget the "Christmas Message" from the Postmaster General.

SPLENDID CHRISTMAS DANCE TO BE GIVEN BY ALUMNI ASSOCIATION.

The Entertainment Committee of the Narberth High School Alumni Association, of which Miss Jane Laird is chairman, has announced an open Christmas dance, to be held in Elm Hall on Wednesday evening, December 28th.

Tickets may be obtained from any graduate of the local High School at one dollar each. No efforts are being spared to make this one of the most successful and enjoyable social events of the year.

Christmas is almost here. SAVE THAT DATE!

KING'S DAUGHTERS' HOME BAKE.

The King's Daughters will hold a sale of home-baked bread, rusk, pies, cakes and candies next Saturday, December 10th, from 2 to 5 P. M., in the Log Cabin, Mr. Smedley's office.

HOWARD'S

The Brightest Spot in Narberth

A Drug Store in the Most Modern Sense of the Term

Friends have suggested we reprint in OUR TOWN the following advertisement which appeared in the program of the Narberth Choral Society at their recent recital at the Metropolitan Opera House.

OUR TOWN

Music hath charms—of that there is no doubt; and it soothes the savage breast—at least the poets say.

Of course we are not all savages—and some of us are not entirely charmed by the musician's spell, though for the sake of our wives and sweethearts, we all act the part when called upon.

Sometimes the hard routine of a day at the desk or council table transforms us into barbarians at least. And we reach our firesides beating our savage breasts. Haven't you ever been called a "brute" or a "bear"?

It is then that the charm of the quiet country side and the well ordered home would most appeal. And if that home with its pleasant environment is within easy distance of the daily grind your contentment would be assured.

On the Main Line is a town—famed not alone for its Choral Society—but also for the beauty of its surroundings—its attractive homes—its happy children—its good neighbors and the conveniences of its location.

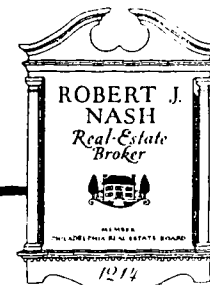

It is thirteen minutes out by express—and seventeen minutes by the local trains of the Pennsylvania Railroad with regular and frequent service.

There is a bus which runs every half hour connecting with the elevated at 69th Street; and for those among us who own a car, a twenty minute drive through park and country road leads right to their front porches.

In other words, it is easy to get to—though all the town-folk agree that it is mighty hard to leave.

Such is the spirit of its people, that they call it sometimes "Our Town"—other times the "Year Round Home Town."

The railroad and the post office call it Narberth.

Next Friday evening the Intermediate Christian Endeavor Society will hold a business meeting at 7 o'clock, to be followed by a social hour.

Preparations are already being made for an elaborate celebration of the glad Christmas Festival. The Senior C. E. will sing their Christmas Carols at the hour of public worship on December 18th; the Sunday School will have entertainments on Wednesday evening, December 21, and Friday evening, December 23, and an augmented choir will render a Christmas cantata on the evening of Christmas Day.

THE JUNIOR RED CROSS IN THE SCHOOLS.

When the children of America responded so valiantly to the Red Cross call for war work, it was at once evident that a tremendous amount of energy and resourcefulness had been discovered. Thus the Junior Red Cross came into being, and soon millions of children were weaving into their daily round of school and home life the golden thread of the Junior Red Cross motto, "I serve."

Here on the Main Line, ten schools became Junior Red Cross Auxiliaries last winter, with a total of 1,211 children.

At Christmas time the Montgomery School sent a large amount of canned goods, groceries, fresh fruit and vegetable, and money for Christmas dinners. The Lyman School filled 42 stockings and gave 13 toys. The Haverford Friends' School filled 25 stockings, and even the wee kiddies in Miss Sutton's Kindergarten did their share towards making Christmas brighter for those less fortunate by filling stockings. The Christmas dinners and stockings were distributed by the Federation of Churches and the Home Service of the Red Cross to poor families along the Main Line and to the Home of the Good Shepherd.

During the winter the Manual Training Class of the Haverford School made fifty toys, and the Garner Hill Public School 24 toys for the destitute children of Europe.

When Mr. Hoover sent out his call for help, the enthusiasm of the children in earning the money themselves for the support of the destitute children of the war-ravaged countries of Europe was inspiring, and the same enthusiasm was felt when the China Famine Fund was raised. The Lyman School gave a very successful bazaar, the proceeds of which went to this fund.

The girls of the Kyneton School have taken their own time to make six bayettes for the babies of Europe, with which the teachers very generously helped them.

The Hareum School is giving a scholarship this year to a girl whose family is so poor that she would have to leave school and work were it not for the Junior Red Cross Scholarship.

As this was the first year since the war that the Junior Red Cross has been active in the schools, the work done was an excellent start. This winter it is hoped that the boys and girls who helped to make children at home and abroad healthier and happier will go on with their wonderful work, and that soon each school on the Main Line will be a Junior Red Cross Auxiliary, and that every boy and girl will feel that somehow they have earned their right to wear the Junior Red Cross button with its motto, "I serve."

ARDMORE MAN INJURED BY NARBERTH AUTO.

George C. Anderson, secretary of the Lower Merion Board of Township Commissioners, is in a serious condition from injuries received last Tuesday night when he was run down by an automobile driven by Charles Yocum, 208 Elm Terrace, Narberth, while trying to cross Lancaster Pike and Argyle Road.

Mr. Anderson, who is 68 years old, was picked up by Mr. Yocum, placed in his automobile and taken to the Yocum home. A physician was summoned, who said Mr. Anderson was suffering from shock, a broken wrist and lacerations and contusions of the body.

WESTMINSTER CIRCLE.

The December meeting of the Westminster Circle will be held on December 8th at the home of Mrs. W. J. Laughlin, 210 Chestnut Avenue.

Members are asked not to forget to bring Christmas toys for the Children's Hospital.

"DEBUTANTE STUFF"

"Debutante Stuff" is the name of the post office, especially at Christmas time. Post office employees say one of their great difficulties is trying to read "stylish" handwriting, and the Post Office Department is urging adoption by women of a plain "mail" hand.

Another post office difficulty arises over the use of small size cards and envelopes, common at Christmas time. Postmaster Haws is asking local merchants to use the regular size cards and envelopes as much as possible.

Most mail is cancelled by machines, but the small envelopes have to be cancelled by hand, consuming an extraordinary amount of time during the rush season.

Poor Directors.

The Poor Directors have helped during the year with ten grocery orders and three tons of coal.

Health Officers.

The Health Officers are willing always to investigate unsanitary homes; to give information in regard to possibilities of quarantine and disinfection.

Students.

It has been a great pleasure to welcome to the weekly case conferences a number of the graduate students of Bryn Mawr College and to help a graduate student of Haverford College to secure material for her thesis. The exchange of ideas between practical and theoretical workers cannot fail to be of mutual help.

Besides attending the case conference a member of the Psychological Department of Bryn Mawr is rendering valuable assistance to the work by giving mental tests to children and adults who seem to our workers in any way sub-normal. The results of these tests are always interesting and often of great practical help.

Red Cross Scholarship.

The Federation of Churches is also assisting the Main Line Branch of the Red Cross in giving practical field work to the holder of a Red Cross scholarship who is preparing to carry on welfare work in a rural community.

Bryn Mawr Hospital Social Service Department.

The Department of Social Service of Bryn Mawr Hospital has since its organization been under the direction of the Supervisor in charge of the Social Service work of the Federation of

Churches. This year the hospital work has so increased in volume and importance, through the addition of clinics and the establishment of a maternity department, that it has proved necessary to secure a full time supervisor in addition to the worker already employed. The Hospital Social Service Department has therefore become an entirely separate organization. It is the earnest hope of those in charge of both agencies that there will be no break in the cordial relations and that the closest co-operation will continue between them.

Homeless Men.

Seven homeless men have applied to the office for assistance and the co-operation of the Police Department and of the Ardmore Y. M. C. A. has been secured in planning for their care. The Police Department will give a night's lodging to any man applying, without recording his name, and the Y. M. C. A. will give lodging to men sent them by the Federation of Churches while a plan is being made for his further care. In return for this service the Y. M. C. A. will ask the Federation to investigate men who apply directly to the Y's Secretary for assistance.

Family Problems.

The foundation of all our work is the home and the development of proper conditions for the best sort of home life, and every effort is made in our work to help each member of the family. Twelve deserted wives have been assisted to secure support from their husbands or to keep their homes together in some other way. Ten unmarried mothers have applied or been referred for advice. Three of these girls have married and established homes. In seven instances reconciliations have been effected between husbands and wives who felt that it was no longer possible to live together, but decided, after a talk with the Federation visitor, to "try again." Forty-seven families have needed assistance on account of illness or death. Twenty-four have applied for work. A total of two hundred and seventy families have been under our care during the year.

Boundaries.

An increase of territory and a definite outline of boundaries can be reported this year. At a conference of the Social Service and Nursing Agencies of the Main Line, Wayne and Lansdowne, it was decided that in every case the district of the local nurses and social workers should coincide. The village of Ithan has therefore been transferred to the care of the Wayne Neighborhood League, and all of Haverford Township has come under our jurisdiction, joining the Lansdowne field at Township Line and West Chester Pike. The district, therefore, served by the Federation of Churches extends from West Chester Pike to the Schuylkill and from Overbrook to Villa Nova.

Donations.

The Social Service Department has received during the past year generous donations of money and supplies from individuals, schools and church societies; of garments from the local Needlework Guilds; and of 1,335 hours of service from volunteer workers. The Secretary takes this opportunity to thank these generous contributors, without whose help the work could not have been carried on.

We are looking forward, for the coming year, to the continued support of all these good friends. We need your help and your interest and we hope that you will use our organization and our facilities in carrying out your plans of helpfulness for your neighbors in difficulty. This is a local organization whose work is supported in part by local churches, in part by citizens of the community. We trust this work has your confidence and approval and that you will contribute to it generously.

Respectfully submitted,
EVELINA C. WALBAUM,
Executive Secretary.
LOUISE W. HOW,
Assistant Executive Secretary.

CITED FOR VALOR

The swain and his swainess had just encountered a bulldog that looked as if he might shake a mean lower jaw. "Why, Percy," she exclaimed as he started a strategic retreat. "You always swore you would face death for me."

"I would," he flung back over his shoulder, "but that darn dog ain't dead."

MUCH ADO ABOUT NOTHING.

SOUTH SIDE AND MINIONS OF THE LAW JOIN IN THRILLING BURGLAR HUNT, BUT—

Now hark ye to the tale of a thrilling chase, and the great oak which did spring from a little acorn.

On Tuesday night of this week, Mr. and Mrs. W. W. Evans, of Chestnut avenue, went out for the evening, leaving their domicile in charge of a little colored girl, yepest Mabel. Along about 9:15 Mabel heard a sound, or several of them, in the direction of the back door.

Now, Mabel is possessed of both a nervous temperament and a flourishing imagination. She rushed to the telephone and informed the Lower Merion police at Ardmore that two burglars were trying to break into the house. The Ardmore police got in touch with Frank Nevin, our local arm of the law, who with another man went over to investigate.

About this time Mr. N. C. Rowley, across the street, came home and noticed these two strange men entering the Evans home. He ran into the house next door and got reinforcements in the shape of Mr. A. J. Newell and Mr. J. G. Atherholt, who was making a visit at the former's house. Seeing the "marauders" across the way leaving the house, the newly formed vigilance committee, armed with a wicked-looking revolver, started in pursuit. At the corner of Essex and Woodside, the pursuers discovered the identity of the pursued, and naturally abandoned the chase.

But in the meantime someone else had seen the two officers enter the house, and fearing that our local cop was in trouble had phoned the Ardmore police. In response to this second call for help from Narberth, five of Captain Donaghy's doughty law-enforcers responded, and added their numbers to the general mix-up. It was soon straightened out, however, when it was found that the mysterious sounds which gave rise to the first call for help were caused by the man in the next house locking his back door.

Which forces us to agree with Mr. Shakespeare that there can very easily be (see heading).

NEXT DANCE OF TENNIS ASSOCIATION TO BE HELD SATURDAY, DECEMBER 17.

Members of the Narberth Tennis Association and their friends will be glad to know that another of the popular Tennis Dances has been scheduled for Saturday evening, December 17, at Elm Hall.

Tickets will reach members about the middle of next week, and those desiring extras for members of their families and friends may obtain them from C. B. Metzger, chairman of the Entertainment Committee, 15 Chestnut avenue.

The Entertainment Committee would much prefer that members use tickets and see that their friends are supplied with tickets rather than that cash admissions be paid at the door the night of the dance. Mr. Metzger has extra tickets and will be very glad to supply members with as many as they need if they will but phone him or drop him a line.

An interesting special feature is being arranged for the December 17 dance, the details of which will be supplied members this coming week when they receive their tickets.

Many Main Line singers are making inquiry as to the requirements for membership in the Society since hearing the concert in the Metropolitan Opera House on November 8, and applications are being put on file for first vacancies.

Mr. Robert J. Nash has accepted the office of Honorary Vice-President, and the Choral management has expressed its appreciation to Mr. Nash for all his interest and co-operation.

Mr. James Crosby Brown, a member of Brown Brothers, bankers, of Philadelphia, has made application for associate membership in the Society through Mr. Nicholas Thonron, of Merion, an Honorary Vice-President.

The Board of Managers are very pleased to co-operate with the Community Club Chorus in the postponing of the regular Choral rehearsal on Monday, December 19, so as to give its members an opportunity to attend the concert to be given by the Community Club Chorus on that date.

EXHIBIT OF WILD PLANTS AND WINTER BERRIES.

There will be an exhibit of winter berries and wild plants in their autumn aspect at the Library next Friday afternoon and evening. The specimens were gathered by several members of the Women's Community Club on their walks in the vicinity of Narberth and on a tramp to the Pine Barrens of New Jersey. One of the choice exhibits is a spray of wild cranberry with its leaves of purple and green and its fruit of rich scarlet. A small plant of pyxie, the flowering moss of the pine barrens, is lovely in its autumn colors, as is also one of dendrium, the sand myrtle. Cat-tails, bayberries, winter-green or tea berries, and milkweed pods are interesting features of the collection. The exhibit is open to everyone, and the attendants at the Library will be glad to show the specimens and to answer any questions concerning them.
